WITCH WORK
PART 1
17TH CENTURY ENGLAND, NEAR A VILLAGE POND...
WHAT ARE THEY DOING, DOCTOR?
SUPERSTITIOUS FOOLS. THEY THINK SHE'S A WITCH.
DUMP HER IN THE WATER! THEN WE'LL KNOW IF SHE'S A WITCH.
FOOLS! THERE'S NO SUCH THING AS WITCHES.
OH REALLY. WHAT ARE THEY, THEN?
WOOSH
OH MY!
HE DOES HAVE A POINT.

CONTINUED ON PAGE 31!

WITCH WORK
PART 2
IF IT'S NOT JUST A SPACESHIP, WHAT *ELSE* IS IT?
A *TIME* MACHINE.
OF COURSE, A TIME MACHINE. I SHOULD HAVE *GUESSED*.
WHERE ARE WE GOING NOW?
TO FIND THE MAN WHO BUILT IT.
CLARA, MEET PROF FASTER, GENIUS, INVENTOR AND TRILLIONAIRE FOUNDER OF THE HIGHLY SUCCESSFUL MACHINE SHOPS ROBOT WAREHOUSE.
TRILLIONAIRE?
ZILLIONAIRE NOW, ACTUALLY. HELLO AGAIN, DOCTOR. PERHAPS YOU CAN HELP ME FIX TRIXIE HERE. I THINK SOMEONE SPILLED COFFEE INSIDE HER. DID THEY EVEN HAVE COFFEE IN 17TH CENTURY ENGLAND?
E.M. FASTER
THE MACHIN SHOPS
THE FIRST BRITISH COFFEE SHOP OPENED IN OXFORD IN 1650. WHAT EXACTLY ARE YOU DOING HERE?
I'VE ALWAYS FELT SORRY FOR THE VICTIMS OF THE 17TH CENTURY WITCH TRIALS. I THOUGHT I'D COME BACK TO TRY TO SAVE THEM - AND SPEND SOME OF MY TRILLIONS IN A GOOD CAUSE.
YOUR *ZILLIONS*, YOU MEAN. HE'S DOING THE SAME AS US, DOCTOR.
BUT HE'S NOT GOING ABOUT IT IN THE RIGHT WAY. WOULD YOU MIND GIVING ME YOUR ROBOT CONTROL SYSTEM, PROF?
OF COURSE NOT DOCTOR, ALWAYS HAPPY TO SHARE.

I'LL JUST REPROGRAM THE ROBOT WITCHES TO BE MORE HELPFUL. THAT SHOULD SORT IT!
ALWAYS!
WAHOO! THANKS FOR LETTING ME DRIVE, DOCTOR.
MY PLEASURE. DO TRY TO KEEP YOUR CLOAK OUT OF MY FACE, THOUGH.
EXCELLENT, NOW EVERYONE THINKS WITCHES ARE HELPFUL AND FRIENDLY!
GOOD! THAT SHOULD PUT AN END TO ANY OF THIS WITCH HUNT NONSENSE.
HAPPY TO HELP
I'M HERE FOR YOU!
